

1. Our home page displays a short video announcement for an [upcoming BOOK](#).
Subscribers will get free on-line access.

2. To access other feature videos - select “latest feature” in the menu bar. You should then see the following control bar below the video.

3. **Previous features** videos are available using the selection bar below the video
O — O — O)

4. The — O — to the left of the bar, or the menu item “**latest feature**” will always bring you back to the latest feature screen available.

5. Whichever feature is selected will have a series of options labeled “**context for this feature**”.
These are links to other pages or posts which provide a context / more information / a back-story / etc, for the selected featured video.
